

| Model | | LAA |
|------------------|---|------------------------------|
| Features | Dimension L * W * H (mm) | 58 * 45 * 31.5 |
| | Terminal Type | Chassis Mounting |
| | Weight | 120 gm Approximately |
| Input/Output | Input | 50 ~ 480 VAC |
| | Output | 330VAC ,480VAC |
| | Output on state RMS current | 10A ~ 75A |
| General Data | Pickup Time | 8 mSec |
| | Release Time | 8 mSec |
| | Operating Frequency | 47 ~ 70 Hz |
| | Operating Temperature | -30 ~ +75 °C |
| | Isolation Voltage I/P to O/P | 4000Vrms |
| | Peak one cycle surge Current | 100A |
| | Minimum Trigger Current | 10mA max. |
| | Output Leakage Current | 330VAC – 7 mA, 480VAC – 14mA |
| | Dielectric Strength | 2500VAC @ 50Hz/min |
| Mounting Diagram | | |
| Application | Automatic Vending Machine, Lamp Control, Injection Molding Machine, FA equipment etc. | |
